

# LifeCenter's Mission is to save, enhance and change lives!

There are more than 120,000 men, women and children awaiting a transplant.

One person can save 8 lives and enhance 50 through organ and tissue donation.

Saving lives through organ and tissue donation

LifeCenter has been working for more than 30 years in Greater Cincinnati.

We work with area hospitals to honor the gift of life and educate the community about the importance of organ and tissue donation.

LifeCenter Organ Donor Network is a Donate Life Organization that encourages and coordinates the donation of human organs and tissues for transplantation as an institutional member of the United Network for Organ Sharing (UNOS). LifeCenter works with area hospitals and community partners to raise awareness about the need for organ and tissue donation. With over 120,000 men, women, and children waiting for the gift of life, the need for transplant continues to grow. You can make a difference just by saying "yes" and registering to be an organ and tissue donor at [LifePassItOn.org](http://LifePassItOn.org).
